2 **7610. Examining Rating Systems of Insurers; Costs.**” is enacted as follows.

3           (1) The Commissioner may make or cause to be made an examination of  
4 every insurer transacting any class of insurance to which the provisions of this  
5 division are applicable to ascertain whether such insurer and every rate and rating  
6 system used by it for every such class of insurance complies with the requirements  
7 and standards of this division.

8           (2) The Insurance Commissioner may examine the affairs, transactions,  
9 accounts, records, documents, and assets of each authorized insurer as often as the  
10 commissioner deems prudent.

11           (3) The Commissioner shall examine fully each insurer applying for authority  
12 to do business in the Commonwealth.

13           (4) The officers, managers, agents and employees of any insurer, under  
14 examination, may be examined at any time under oath and shall exhibit all books,  
15 records, accounts, documents or agreements governing its method of operation,  
16 together with all data, statistics and information of every kind and character collected  
17 or considered by such insurer in the conduct of the operations to which such  
18 examination relates.

19           (5) The reasonable cost of any examination authorized by this section shall be  
20 paid by the organization or insurer to be examined including the costs of the examiner  
21 himself together with all incidentals to the examination including actual necessary

**HOUSE BILL 18-159, SD1**

1           In the event any insurer shall in collusion with any other insurer conspire to  
2           fix, set or adhere to insurance rates except as expressly sanctioned by the Insurance  
3           Code, such insurer shall be liable to any person damaged thereby for an amount equal  
4           to three times the amount of such damage together with the damaged party's attorney  
5           fees.

**§ 7612. Authority for cooperative ratings and systems.**

7           Subject to and in compliance with the provisions of this chapter authorizing  
8           insurers to be members or subscribers of rating or advisory organizations or to engage  
9           in joint underwriting or joint reinsurance, two or more insurers may act in concert  
10          with each other and with others with respect to any matters pertaining to the making  
11          of rates or rating systems, the preparation or making of insurance policy or bond  
12          forms, underwriting rules, surveys, inspections and investigations, the furnishing of  
13          loss or expense statistics or other information and data or carrying on of research.

**§ 7613. Unauthorized adherence to rates, rating systems.**

15          (1) Members and subscribers of rating or advisory organizations may use the  
16          rates, rating systems, underwriting rules or policy or bond forms of such  
17          organizations, either consistently or intermittently, but, except as provided in 4 CMC  
18          §§ 7615, 7611, 7616, 7625, 7626, shall not agree with each other or rating

21          use, either consistently or intermittently, the rates or rating systems made or adopted  
22          by a rating organization, or the underwriting rules or policy or bond forms prepared  
23          by a rating or advisory organization, shall not be sufficient in itself to support a

5 With respect to any matters pertaining to the making of rates or rating  
6 systems, the preparation or making of insurance policy or bond forms, underwriting  
7 rules, surveys, inspections and investigations, the furnishing of loss or expense  
8 statistics or other information and data, or carrying on of research, two or more  
9 admitted insurers having a common ownership or operating in the Commonwealth  
10 under common management or control are hereby authorized to act in concert  
11 between or among themselves the same as if they constituted a single insurer, and to

(B) A reasonable degree of competition does not exist in the area with respect to the classification to which such rate is applicable.

(b) No rate shall be held inadequate unless such rate is unreasonably low for the insurance provided and:

(A) Use or continued use of such rate endangers the solvency of the insurer; or

(B) The use of such rate by the insurer has, or if continued will have, the effect of destroying competition or creating a monopoly.

(3) Rates for each classification of coverage shall be based on the claims experience of insurers within the Commonwealth on that classification of coverage unless that experience provides an insufficient base for actuarially sound rates.

(4) Due consideration shall be given to past and prospective loss experience within the Commonwealth, to the hazards of conflagration and catastrophe, to a reasonable margin for profit and to contingencies, to dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers, to past and prospective expenses specially applicable to the Commonwealth, and to all other relevant factors, including judgment factors deemed relevant, within the Commonwealth.

3 (6) The Commissioner shall adopt rules to carry out the provisions of this  
4 section and may by rule specify further procedures relating to rates and ratemaking  
5 not inconsistent with this chapter.

6 (7) A rate increase based solely upon an insured's attaining or exceeding 65  
7 years of age shall be presumed to be unfairly discriminatory unless the increase is  
8 clearly based on sound actuarial principles or is related to actual or reasonably  
9 anticipated experience.

10 (8) Notwithstanding any other provision of this chapter, health insurance  
11 premium rates in the non-grandfathered individual and small group market may vary  
12 only by coverage tier, number of dependents, geographic region, age, and tobacco  
13 use; preexisting conditions exclusions and rates based solely on health status shall be  
14 presumed to be unfairly discriminatory.

15 (9) Notwithstanding any other provision of this chapter, annual lifetime  
16 coverage limits shall not be allowed under any contract executed under individual and  
17 small group plans for the provision of health insurance in the Commonwealth with the  
18 exception of grandfathered individual policies and benefits which are not Essential  
19 Health Benefits as defined in 45 CFR §156.20.

20 (10) Notwithstanding any other provision of this chapter, every insurer shall  
21 report Medical Loss Ratios, and spend a minimum of 85 percent of health insurance  
22 premiums for large group coverage, and 80 percent for individual and small group  
23 coverage, on medical care, rather than other items such as administrative and  
24 overhead costs; An issuer who fails to comply with this subsection shall issue rebates.

1           **§ 7616. Agreements among insurers for assignment of risks; rate**  
2           **modifications.**

3           Agreements may be made among insurers with respect to the equitable  
4           apportionment among them of insurance which may be afforded applicants who are in  
5           good faith entitled to such insurance but who are unable to procure such insurance  
6           through ordinary methods. Such insurers may agree among themselves on the use of  
7           reasonable rate modifications for such insurance, such agreements and rate  
8           modifications to be subject to the approval of the Commissioner.

9           **§ 7617. Suspension or modification of filing requirement; Rules; Excess**  
10          **rates for Specific Risks.**

11          (1) Under such rules and regulations as the Commissioner, by written order,  
12          may suspend or modify the requirement of filing as to any class of insurance, or  
13          subdivision or combination thereof, or as to classes of risks, for which the rates  
14          cannot practicably be filed before they are used. Such orders, rules and regulations  
15          shall be made known to insurers and rating organizations affected thereby. The  
16          Commissioner may make such examination as the Commissioner deems advisable to  
17          ascertain whether any rates affected by such order meet the standards set forth in  
18          4 CMC § 7605.

19          (2) Upon the written application of the insured, stating the reasons therefor,  
20          filed with the Commissioner and approved by the Commissioner, a rate in excess of  
21          that provided by a filing otherwise applicable may be used on any specific risk.

22          **§ 7618. Contracts to comply with effective filings; exception.**

23          (1) No insurer shall make or issue a policy except in accordance with the  
24          filings which are in effect for the insurer as provided in this chapter.

1                   **§ 7619. Disapproval of filings by Commissioner; Noncompliance with**  
2                   **Chapter.**

3                   (1) If within the waiting period or the extension thereof, if any, as provided in  
4 CMC § 7617(2), the Commissioner finds that a filing does not meet the  
5 requirements of this chapter, the Commissioner shall send to the insurer or rating  
6 organization which made such filing written notice of disapproval of such filing,  
7 specifying therein in what respects the Commissioner finds such filing fails to meet  
8 the requirements and stating that such filing shall not become effective.

9                   (2) If the Commissioner has reason to believe that an insurer or rating or  
10 advisory organization is not complying with the requirements and standards of this  
11 chapter other than the requirements and standards dealing with rates, rating plans or  
12 rating systems, unless the Commissioner has reason to believe such noncompliance is  
13 willful, the Commissioner shall give notice in writing to such insurer or rating or  
14 advisory organization stating in what manner such noncompliance is alleged to exist  
15 and specifying a reasonable time, not less than 10 business days after the date of  
16 mailing, in which such noncompliance may be corrected.

17                   **§ 7620. Initiation of proceedings by aggrieved person to determine**  
18                   **lawfulness of filings; hearing.**

19                   (1) Any person aggrieved with respect to any filing that is in effect, other than  
20 the insurer or rating organization that made the filing, may make written application  
21 to the Commissioner for a hearing on the filing. The application shall specify the  
22 grounds to be relied upon by the applicant.

23                   (2) If the Commissioner finds that the application is made in good faith, that  
24 the applicant would be so aggrieved if the grounds are established, and that such

1 grounds otherwise justify holding such a hearing, the Commissioner shall do one of  
2 the following:

3 (a) Conduct an examination for the limited purpose of adjudging the  
4 aggrieved person's complaint under 4 CMC § 7610 (1). The Commissioner  
5 shall not act under this paragraph if the filing concerns a rate, rating plan or  
6 rating system subject to 4 CMC § 7617 (1).

7 (b) Hold a hearing, within 30 calendar days after receipt of such  
8 application, at a place designated by the Commissioner and upon not less than  
9 10 business days' written notice to the applicant and to the insurer or rating  
10 organization that made the filing.

11 **§ 7621. Hearing and order procedure.**

12 Conduct of the hearing, issuance of orders pursuant thereto and judicial review  
13 of orders shall be as provided in 1 CMC § 9101 *et seq.*

14 **RATING ORGANIZATIONS**

15 **§ 7622. Application for license by rating organization.**

16 No rating organization shall conduct its operations in the Commonwealth  
17 without first filing with the Commissioner a written application for a license as a  
18 rating organization for such classes of insurance, or subdivision or class of risk or a  
19 part or combination thereof as are specified in its application and shall file therewith:

20 (1) A copy of its constitution, its articles of agreement or association or its  
21 certificate of incorporation, and of its bylaws, rules and regulations governing the  
22 conduct of its business; and

23 (2) A list of its members and subscribers; and

1           (3) The name and address of a resident of the Commonwealth upon whom  
2 notices or orders of the Commissioner or process affecting such rating organization

4           (4) A statement of its qualifications as a rating organization.

5           **§ 7623. Licensing rating organizations generally; Rules; Revocation and**  
6 **Suspension; fees.**

7           (1) If the Commissioner finds that the applicant represents a credible statistical  
8 base, is competent, trustworthy and otherwise qualified to act as a rating organization  
9 and that its constitution, articles of agreement or association or certificate of  
10 incorporation, and its bylaws, rules and regulations governing the conduct of its  
11 business conform to the requirements of law, the Commissioner shall issue a license  
12 specifying the classes of insurance, or subdivision or class of risk or a part or  
13 combination thereof for which the applicant is authorized to act as a rating  
14 organization. Each application shall be granted or denied in whole or in part by the  
15 Commissioner within 60 days of the date of its filing with the Commissioner.

16           (2) A license issued pursuant to this section shall remain in effect for three  
17 years unless suspended or revoked by the Commissioner. The license fee shall be as  
18 established by the Commissioner. A license issued pursuant to this section may be  
19 suspended or revoked by the Commissioner, after a hearing upon notice, in the event  
20 the rating organization ceases to meet the requirements of this section.

21           (3) Each rating organization shall notify the Commissioner promptly of every  
22 change regarding matters listed in 4 CMC § 7622(1), (2), and (3).

2                   **Organization to be Reasonable; Review of applications for Subscribership and of**  
3                   **Reasonableness of Rules.**

4                   (1) Subject to rules and regulations which have been approved by the  
5                   Commissioner as reasonable, each rating organization shall permit any insurer, not a  
6                   member, to be a subscriber to its rating services for any class of insurance,  
7                   subdivision or class of risk or a part or combination thereof for which it is authorized  
8                   to act as a rating organization. Notice of proposed changes in such rules and  
9                   regulations shall be given to subscribers.

10                  (2) Each rating organization shall furnish its rating services without  
11                  discrimination to its members and subscribers. Any rating organization may subscribe  
12                  to or purchase actuarial, technical or other services, and such services shall be

14                  (3) The reasonableness of any rule or regulation in its application to  
15                  subscribers, or the refusal of any rating organization to admit an insurer as a  
16                  subscriber, at the request of any subscriber or any such insurer, shall be reviewed by  
17                  the Commissioner at a hearing held at a place designated by the Commissioner and  
18                  upon at least 10 days' written notice to such rating organization and to such  
19                  subscriber or insurer. If the Commissioner finds that such rule or regulation is  
20                  unreasonable in its application to subscribers, the Commissioner shall order that such  
21                  rule or regulation shall not be applicable to subscribers. If the rating organization fails  
22                  to grant or reject an insurer's application for subscribership within 30 days after it was  
23                  made, the insurer may request a review by the Commissioner as if the application had

3 finds that the action of the rating organization was justified, the Commissioner shall  
4 make an order affirming its action.

5 (4) No rating organization shall adopt any rule, the effect of which would be  
6 to prohibit or regulate the payment of dividends, savings or unabsorbed premium  
7 deposits allowed or returned by insurers to their policyholders, members or  
8 subscribers.

9 **§ 7625. Cooperative activities among rating organizations and insurers.**

10 (1) Cooperation among rating organizations or among rating organizations and  
11 insurers in rate making or in other matters within the scope of this chapter hereby is  
12 authorized, provided the filings resulting from such cooperation are subject to and  
13 consistent with those sections which are applicable to filings generally.

14 (2) The Commissioner may review such cooperative activities and practices  
15 and if, after a hearing, the Commissioner finds that any such activity or practice is  
16 unfair or unreasonable or otherwise inconsistent with this chapter, the Commissioner  
17 may issue a written order specifying in what respects such activity or practice is  
18 unfair or unreasonable or otherwise inconsistent with those sections and requiring the  
19 discontinuance of such activity or practice.

20 **§ 7626. Regulation of joint underwriting and joint reinsurance.**

21 No group, association or other organization of insurers which engages in joint  
22 underwriting or joint reinsurance shall engage in any activity which is unfair,

## HOUSE BILL 18-159, SD1

1           **§ 7627. Insured entitled to rate information; remedies of aggrieved**  
2           **persons.**

3           (1) Every rating organization and every insurer which makes its own rates,  
4           within a reasonable time after receiving written request therefor and upon payment of  
5           such reasonable charge as it may make, shall furnish to any insured affected by a rate  
6           made by it, or to the authorized representative of such insured, all pertinent  
7           information as to such rate.

8           (2) Every rating organization and every insurer which makes its own rates  
9           shall provide within the Commonwealth reasonable means whereby any person  
10          aggrieved by the application of its rating system may be heard, in person or by the  
11          authorized representative, on written request by the person or authorized  
12          representative to review the manner in which such rating system has been applied in  
13          connection with the insurance afforded the person. If the rating organization or  
14          insurer fails to grant or reject such request within 30 days after it is made, the  
15          applicant may proceed in the same manner as if the application had been rejected.

16          (3) Any party affected by the action of such rating organization or such insurer  
17          on such request, within 30 days after written notice of such action, may appeal to the  
18          Commissioner, who, after a hearing held at a place designated by the Commissioner  
19          upon not less than 10 days' written notice to the appellant and to such rating  
20          organization or insurer, shall affirm or reverse such action.

21           **§ 7628. Advisory organizations; registration; jurisdiction of**  
22           **Commissioner to restrict unfair practices.**

23           (1) Every advisory organization shall file with the Commissioner:

HOUSE BILL 18-159, SD1

1 (a) A copy of its constitution, its articles of agreement or association or  
2 its certificate of incorporation and of its bylaws, rules and regulations  
3 governing its activities; and

4 (b) A list of its members.

5 (c) The name and address of a resident of the Commonwealth upon  
6 whom notices may be served; and

7 (d) An agreement that the Commissioner may examine such advisory  
8 organization in accordance with 4 CMC § 7633; and

9 (2) Any insurer which makes its own filings or any rating organization may  
10 support its filings by statistics or adopt rate-making recommendations furnished to it  
11 by an advisory organization which has complied with this section. If, after a hearing,  
12 the Commissioner finds that the furnishing of such information or assistance involves  
13 any act or practice which is unfair or unreasonable or otherwise inconsistent with this  
14 chapter, the Commissioner may issue a written order specifying in what respects such  
15 act or practice is unfair or unreasonable or otherwise inconsistent with this chapter. If  
16 the act or practice thus specified is not modified to comply with such order, the  
17 Commissioner may issue an order requiring any insurer which makes its own filings  
18 or any rating organization to discontinue the use of the statistics or rate-making  
19 recommendations furnished to it by such advisory organization.

20 **§ 7629. Filing of health insurance premium rates; rules.**

21 (1) Every insurer shall file with the Commissioner all schedules and tables of

23 shall file any amendments to or corrections of such schedules and tables. Premium

1 rates are subject to approval, disapproval or withdrawal of approval by the  
2 Commissioner as provided by 4 CMC § 7605.

3 (2) Except as provided in subsection (3) of this section, a rate filing by an  
4 insurer for any of the following health benefit plans shall be available for public  
5 inspection at any reasonable time after submission of the filing to the Commissioner:

6 (a) Health benefit plans for small employers.

7 (b) Portability health benefit plans.

8 (c) Individual health benefit plans.

9 (3) The Commissioner, after conducting an actuarial review of the rate filing,  
10 may approve a proposed premium rate for a health benefit plan for small employers or  
11 for an individual health benefit plan if, in the Commissioner's discretion, the  
12 proposed rates are:

13 (a) Actuarially sound;

14 (b) Reasonable and not excessive, inadequate or unfairly  
15 discriminatory; and

16 (c) Based upon reasonable administrative expenses, in accordance with  
17 4 CMC § 7615 (10).

18 (4) In order to determine whether the proposed premium rates for a health  
19 benefit plan for small employers or for an individual health benefit plan are  
20 reasonable and not excessive, inadequate or unfairly discriminatory, the  
21 Commissioner may consider:

22 (a) The insurer's financial position, including but not limited to  
23 profitability, surplus, reserves and investment savings.

1 (b) Historical and projected administrative costs and medical and  
2 hospital expenses.

3 (c) Historical and projected loss ratio between the amounts spent on  
4 medical services and earned premiums.

5 (d) Any anticipated change in the number of enrollees if the proposed  
6 premium rate is approved.

7 (e) Changes to covered benefits or health benefit plan design.

8 (f) Changes in the insurer's health care cost containment and quality  
9 improvement efforts since the insurer's last rate filing for the same category of  
10 health benefit plan.

11 (g) Whether the proposed change in the premium rate is necessary to  
12 maintain the insurer's solvency or to maintain rate stability and prevent  
13 excessive rate increases in the future.

14 (h) Any public comments received under 4 CMC § 7630 pertaining to  
15 the standards set forth in subsection (4) of this section and this subsection.

16 (5) With the written consent of the insurer, the Commissioner may modify a  
17 schedule or table of premium rates filed in accordance with subsection (1) of this  
18 section.

19 (6) The requirements of this section do not supersede other provisions of law  
20 that require insurers, health care service contractors or multiple employer welfare  
21 arrangements providing health insurance to file schedules or tables of premium rates  
22 or proposed premium rates with the Commissioner or to seek the Commissioner's  
23 approval of rates or changes to rates.

24 (7) The Commissioner may by rule:

1 (a) Specify all information an insurer must submit as part of a rate  
2 filing under this section; and

3 (b) Identify the information submitted that will be exempt from  
4 disclosure under this section because the information constitutes a trade secret  
5 and would, if disclosed, harm competition.

6 **§ 7630. Public comment on proposed rates for health insurance.**

7 (1) When an insurer files a schedule or table of premium rates for individual,  
8 portability or small employer health insurance under 4 CMC § 7629, the  
9 Commissioner shall open a 30-day public comment period on the rate filing that  
10 begins on the date the insurer files the schedule or table of premium rates. The  
11 Commissioner shall post all comments to the website of the CNMI Department of  
12 Commerce without delay. The Commissioner may reduce the 30-day public comment  
13 period to a period of no less than 10 days if he deems it appropriate under the totality  
14 of the circumstances.

15 (2) The Commissioner shall give written notice to an insurer approving or  
16 disapproving a rate filing or, with the written consent of the insurer, modifying a rate  
17 filing submitted under 4 CMC § 7629 no later than 10 business days after the close of  
18 the public comment period. The notice shall comply with the requirements of 1 CMC  
19 § 9101 *et seq.*

20 **§ 7631. Rate filing to include statement of administrative expenses; rules.**

21 An insurer licensed by the Commissioner shall include in any rate filing under
