Administrator, Group Health and Life Insurance

Subject: 2014 Health Insurance Coverage

Dear Enrollees:

Thank you for your patience during these trying times with the Government sponsored health insurance program. Due to the cancellation of the Request for Proposal ("RFP") for health insurance, intensive negotiations with Aetna were undertaken to ensure continued coverage to our enrollees, most especially those receiving treatment at home and abroad. An agreement has been reached with Aetna, which will continue to provide health insurance coverage to all CNMI Government employees and retirees.

Public Education Forums

Representatives from Aetna will be on island and will provide a Public Education Forum ("Forum") for all Government Employees and retirees who qualify to enroll in the program. This Forum will be held at the Governor's Conference Room on the first floor of the Executive Offices starting at 8 a.m. and will be available to all Tinian and Rota residents via Video Teleconference ("VTC") at the Northern Marianas College campuses throughout the day. Those in attendance at the Forum will be able to ask Aetna representatives questions about the health care coverage. Specific times, venues and updated information will be announced at a later date.

Open Enrollment

The Open Enrollment period for health insurance will run for 30 days, beginning on February 12 until March 14, 2014. Open Enrollment forms will be available during the Forums and on our website.

We encourage you to visit the NMI Retirement Fund's website at: www.nmiretirement.com for periodic updates, including downloading of open enrollment forms. Be sure to click on the "GHLI" tab.
